### Dear Partners,

Trucks and buses are an essential part of our daily business. From transporting people to different destinations, deliveries of goods and commodities, hauling of machineries and heavy equipment, excavation of ground and debris, to farming and agriculture. With these in mind, we have developed our Cargo Division business.

Wuerth has recognized the crucial role that these vehicles play in our work that is why we have created this division focused on ensuring that they are maintained with the best and highest quality products. We have developed a professional product range that will keep your trucks, buses and heavy equipment performing smoothly and worry-free.

The Wuerth Cargo Division will provide the best maintenance products such as lubricants, additives, engine oils, pneumatic tools, garage equipment and hand tools. You would also find the widest range of consumable parts such as wiper blades and automotive bulbs. We also offer the latest in personal protection equipment such as hand gloves, safety helmets, body wear and eye protection. Wuerth is your partner for the success of your business and operations. We hope you enjoy our products.

Thank you.

  
Arnaldo de Jesus  
Managing Director  
Wuerth Philippines Inc.

# JUBILEE: 25 YEARS OF WUERTH-PHILIPPINES!

**This year, W-PH is celebrating 25 years of operation! A jubilee year full of communication, special promotions, jubilee products and advertisements.**

Wuerth Philippines marked its 25th anniversary this June with the inauguration of its first ever showroom store and Manila sales office, the Wuerth Business Center. The showroom store features Wuerth products such as automotive cleaning chemicals, garage workshop equipment, tools, construction hand tools, chemical anchors, PPEs and other bestselling products. The new facility is located right in the heart of the Ortigas business center in Pasig City, Metro Manila.

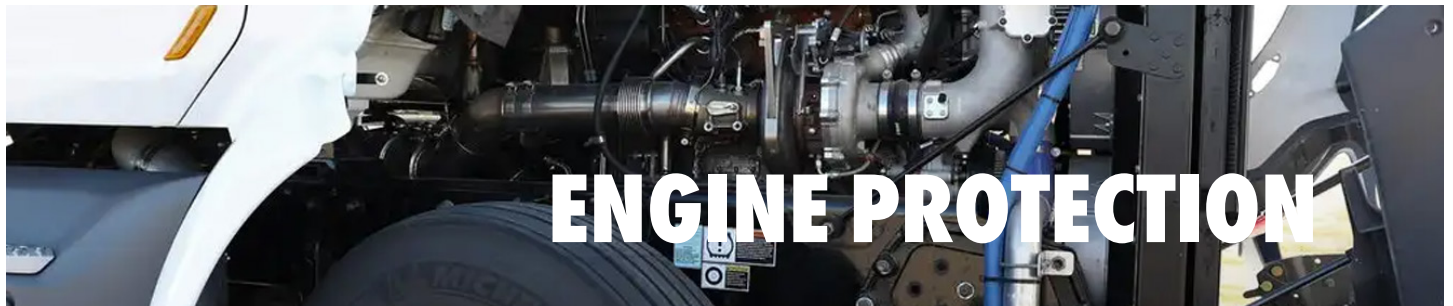

Wuerth Philippines started its operations in 1996 with a small warehouse office. From there it has grown to become the leading brand in automotive maintenance products ranging from chemicals to hand tools and workshop equipment and now headquartered in Laguna Technopark, one of the thriving industrial parks in the country. The company has transitioned into a multi-industry organization supplying the requirements of the automotive, construction and industrial companies.

The opening of the Wuerth Business Center is a fitting milestone of the company's 25th anniversary as it creates a new customer touch point. From its trademark direct selling business model, Wuerth Philippines can now also be reached by its customers through its Telesales unit, the Wuerth E-Shop and through its 3rd party partner Lazada.

## PREVENTIVE MAINTENANCE

### **Brake Cleaner 700 ML**

For cleaning and degreasing during maintenance and repair work

**Art. no. 0890168700**

### **Brake Fluid DOT 4**

For hydraulic brake systems.

**Art. no. 0892009146**

250 ml

**Art. no. 0892009145**

500 ml

### **Copper Spray CU 800 300 ml**

Highly adhesive lubricating, separating and anti-corrosive copper spray that is extremely resistant to high temperatures and high pressures

**Art. no. 0893800**

**Rost-Off Plus  
400 ml**

High-quality rust remover, lubricating effect.

**Art. no. 0890200004**

**Multi-purpose Lubricant  
Ultra 2040  
150 ml**

Lubricant, penetrating and water displacing agent

**Art. no. 0890085150**

**Adhesive Lubricant  
HHS® 2000  
500 ml**

Partly synthetic oil that is extremely resistant to high pressures

**Art. no. 0893106**

**RTV Multi Gasket Sealant  
85 g**

Good adhesive and sealing compound for use in industry and the automotive sector

**Art. no. 0890324085**

**Tyre Mounting Paste  
5 kg**

For mounting car, truck and motorcycle tyres

**Art. no. 08901221**

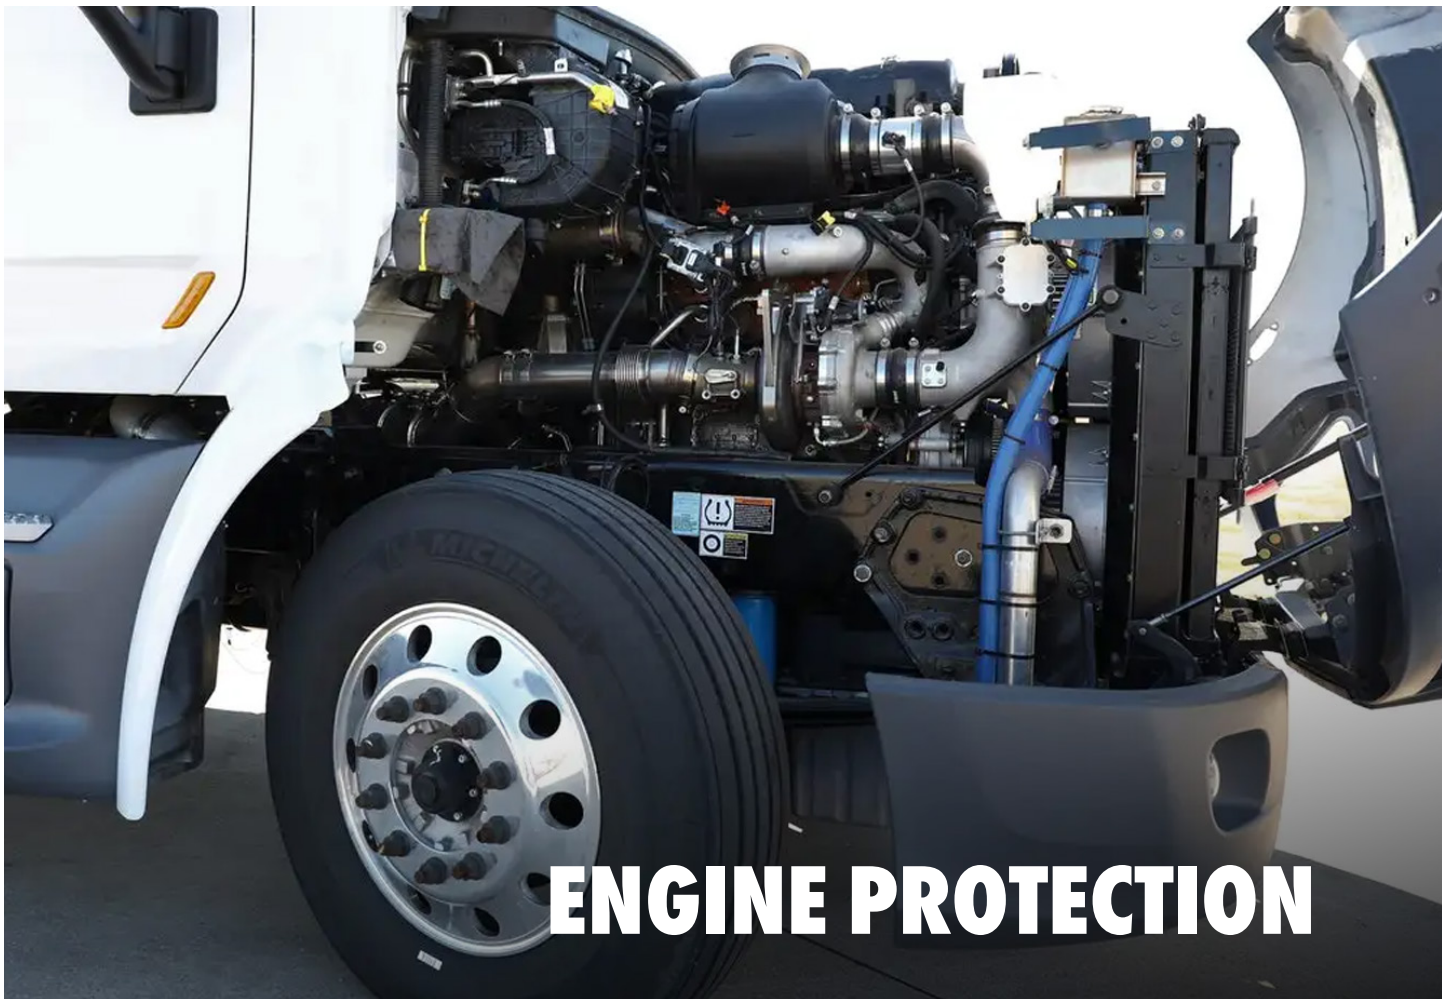

**Multi-purpose Grease II  
400 g**

Lithium-soap graphite grease resistant to high pressures with EP additives.

**Art. no. 08938711**
